Your official membership card will be mailed to you following receipt of dues. This card is good for discounts and special offers at several of our business members' establishments. Watch your newsletter for these.

Business members: Many of our current business members offer discounts on various goods or services. Won't you consider doing the same? Your business card, along with notation of any special offers for current card carrying members will be published with every monthly newsletter. We can do most anything from one-time coupons to full-time discounts. Just fill in the following with anything you would like to do. This is not mandatory but the members sure do appreciate it. Regardless, your business card will still be published.

Thanks, Montana Nightriders
